LETTER OF TRANSMITTAL

On behalf of the Senate Select Committee to Study Governmental Operations with Respect to Intelligence Activities, and pursuant to the mandate of Senate Resolution 21, I am transmitting herewith to the Senate thirteen detailed staff reports, set forth in this volume, which supplement Book II of the Committee's final report entitled Intelligence Activities and the Rights of Americans. These staff reports present, in substantially greater detail, the results of the Committee's inquiry into various areas which were highlighted in the final report.

Once again I want to gratefully acknowledge the great effort, dedication, and talent of the Committee staff. The principal authors and editors of these reports are indicated in Appendix C of Book II of the final report.

Finally, I want to express the deep appreciation of the Committee to Senator Walter F. Mondale for his excellent supervision of the preparation of these reports as Chairman of the Domestic Intelligence Subcommittee.

FRANK CHURCH,
Chairman.
