LETTER OF TRANSMITTAL

On behalf of the Senate Select Committee to Study Governmental Operations with Respect to Intelligence Activities, and pursuant to the mandate of Senate Resolution 21, I am transmitting herewith to the Senate the volume of the Committee's Final Report entitled, "The Investigation of the Assassination of President John F. Kennedy: Performance of the Intelligence Agencies."

I want to express the deep appreciation of the Committee to Senator Richard S. Schweiker and Senator Gary Hart for their excellent work on this phase of the Select Committee's investigation.

FRANK CHURCH,
Chairman.
NOTE

This Report has been reviewed and declassified by the appropriate executive agencies. After the Committee's original draft of this report was completed, copies of it were made available to the executive agencies. These agencies submitted comments to the Committee on security and factual aspects of the draft report. On the basis of these comments, the Committee and staff conferred with representatives of the agencies to determine which sections of the Report should be redrafted to protect sensitive intelligence sources and methods. These sections of the original draft were then revised to reflect the agencies concerns while retaining the original thrust of the Report.

Names of individuals were deleted when, in the Committee's judgment, disclosure of their identities would either endanger their safety or constitute an unwarranted invasion of privacy. Consequently, footnote citations to testimony and documents occasionally contain only descriptions of an individual's position.
CONTENTS

Letter of Transmittal.......................................................... iii
