FOREWORD

This comprehensive bibliography consists of every relevant book citation that could be found in the Library's card catalog and Books in Print. Periodical literature was identified (and selectively included) from the Readers' Guide to Periodical Literature; Public Affairs Information Service (P.A.I.S.); International Social Science and Humanities Index; America: History and Life; Social Science Citation Index; Magazine Index; Psychology Abstracts; Sociological Abstracts; Comprehensive Dissertation Abstracts; and the CRS's Bibliographic Citation File. Some of the noted periodical sources are from computerized, on-line data bases external to the Library of Congress.

Other sources referred to in compiling the bibliography were: The Kennedy Assassination and the Warren Report; Selected References, by Richard Malow which is a CRS multilith report, GGR-119, published Sept. 23, 1966 (6 p.); American Political Assassinations; A Bibliography of Works Published 1963-1970 related to the Assassination of John F. Kennedy, Martin Luther King, Robert F. Kennedy, [in pamphlet form] compiled by the Committee to Investigate Assassinations, with a forward by Bernard Fensterwald, Jr., 927 15th St., N.W., Washington, D.C.; 1973, 28 p. John Fitzgerald Kennedy, 1917-1963; A Chronological List of References, [in pamphlet form] by the Bibliography and Reference Correspondence Section of the Library of Congress, Washington, D.C., 1964, 68 p. and also, under the same title, a supplement [in monograph form] of, principally, monographs, by William J. Studer which was published by the Library of Congress in 1964 (25 p.); and the Assassination of President John F. Kennedy: Moves to Reopen the Investigation, by Donald A. Baskerville which appears in the Library of Congress Information Bulletin of December 3, 1976. (6 p., 752-757).

Credit is due the following people who assisted in the compilation of this bibliography: Sarah Collins, Nancy Fitch, Karen Keesling, Steve Langone, and Daniel Strickland. Jeffrey C. Griffith in CRS's Information Systems Section was instrumental in the retrieval of citations from on-line data bases external to the Library of Congress.

Credit is due Robert Amorosi, Linda Bailey, Martha Schweitzer, Cheryl Scott, Lillie Thompson, and Sandra Wallace for the secretarial production of the bibliography.
