Processing Note

Re: Telephone Conversations between the President and others
from 4:30 p.m. to 7:40 or 8:10 p.m., 11/23/93

When processing the transcripts, the archives staff arranged and
numbered the conversations in the following order:

Transcript 22 [Governor John Reynolds] [time not shown]
Although this is identified in the corner by a
handwritten notation, "Governor John Reynolds, Gov.
Romney," most of the remarks appear to be taken from a
conversation with Carl Robard later in the day. See
transcript 27.

Transcript 23 Gov. John Reynolds, 4:30 p.m.

Transcript 24 McGeorge Bundy, 5:52 p.m.

Transcript 25 David Dubinsky, 7:32 p.m.

Transcript 26 Senator Ted Kennedy, 7:40
Although the information filed with the dictabelt
indicated that the conversation was at 7:40 p.m., the
Diary indicates the conversation took place at 8:10
p.m., and the White House Telephone Operators' Logs
indicate that the conversation took place at 8:05 p.m.

Transcript 27 Carl Robard [time not shown]

Transcript 28 Patrick Lucey [time not shown]

All of the conversations were recorded on one IBM dictabelt, and
when the archives staff played it, they found that the
conversations took place in the following order:

Governor John Reynolds, 4:30 p.m.
Patrick Lucey/Carl Robard [same call], [time not shown]
McGeorge Bundy, 5:52 p.m.
David Dubinsky, 7:32 p.m.
Senator Ted Kennedy, 7:40 [time shown on transcript]
