Dear Mr. Hamilton,

Thank you for your letter of March 39 informing me that a copy of my letter concerning my son was forwarded to the American Embassy at Moscow. However, I feel that ample time has passed and that I should have some sort of report. Please follow up my request.

I would also like to know if he had signed the necessary papers renouncing his citizenship or is he still a citizen of the United States. The newspaper's at the time stated that he was asked to that it over until he was sure a Soviet citizen would be tenable. The Russians refused his request stating that he could remain in their country as a "resident alien."

Thank you in advance for any help.

Sincerely,

Margaret O'Connell
