EDWARD KELLY, porter, employed by the Dallas Public Works Department, and staticted the Municipal Building and Police and Courts Building, advised that he was on duty on November 24, 1963. He stated that at approximately 9:30 or 10:00 he was in the basement with a few other city employees. He furnished the following information.

KELLY was told by a Dallas Police Officer, whose name he does not know, to leave the basement area. He had observed an unknown Sergeant of the Police Department tell his patrolmen to have KELLY's group leave the basement. KELLY does not know how many men left the basement, but estimates there were four or five who did. They took the elevator and went to the first floor of the Municipal Building. Before leaving the basement he had observed some police officers searching the basement.

LOUIS McKINZIE alsoan employee with the Dallas Public Works Department was operating the elevator. When this group got to the first floor of the Municipal Building, KELLY went to a point where he could observe the Commerce Street exit of the ramp from the basement of the Police Department. He was there to observe LEE HARVEY OSWALD being transferred to the County Jail. The first time he knew OSWALD was shot was when an ambulance left the building with OSWALD's body and someone advised him OSWALD had been shot.

KELLY went to another floor of the Municipal Building and worked after they took OSWALD away in the ambulance and he returned to the basement at approximately 2:30 p.m. on November 24, 1963. He stated he does not know JACK RUBY and did not know LEE HARVEY OSWALD.
