2. *Proof of United States Citizenship*

A previously issued passport may be used for identification and proof of citizenship, instead of documents indicated below, and shall be submitted with the application.

A native born citizen shall present his birth or baptismal certificate. If these are not obtainable, an affidavit of his birth, executed by a parent, a closer, older blood relative, or some other person having personal knowledge of the date and place of his birth can be submitted. To avoid delays, the applicant should ascertain from the Clerk of Court or Passport Agent exactly what information a birth or baptismal certificate or affidavit must contain in order to be acceptable for passport purposes.

3. *Identification*

An applicant is required to establish his identity to the satisfaction of a Clerk of Court or Passport Agent either through personal knowledge, the presentation of an acceptable document of identification or by an identifying witness who has known the applicant for at least 2 years. If a witness is required for identification the witness will be required to complete an affidavit. An affidavit form may be secured from the Passport Agent or Clerk of Court.

The following documents are acceptable for identification purposes provided they contain the signature and either a photograph or a physical description of the applicant: A previous passport, a naturalization certificate, a driver's license or a government (Federal, State, Municipal), industrial or business identification card or pass.

Tinted photographs are not acceptable. See instructions in photograph block on page 1 of application.
