PIC EXHIBIT No. 36-A
Dear John,

As long as I am in the Examiner's office so far, by the way, I received your policy quite sometime ago but forgot to mention it. Today is like a fall day and last night we slept under blanket. Sure hope you got your leave this time he needs and come home. Of you don't have enough money I can let a pay roll on the hour as necessary. Robert is still with the A.P. They like him and are teaching him the business. I think if he sticks with them he will have a chance of

Sincerely,
