Ctrl John. Commission Exhibit No. 7-A

Dear John,

I think you will like this letter. You are certainly getting to go places. Thought you: gave here of the boat shape. Will try and send a picture of all three of us. Your last picture is very good. The sea was-.

Friday

Dear John -

Well, Robert was operated on at 10:30 this morning and the doctors assured me he will be alright. The medical team is hydrodrolly so you can look it up and it should just with the bed. The thing are improving a medical on I would have never known much more it would have been worse in time went on. It is all alright and hope you too in good health also.
