On November 22, 1963, the day of the assassination of the President, Detectives C. F. Ross and R. S. Stovall arrived at the Homicide Office at approximately 2:00 PM. This was as soon after the killing as we could get to the office. We were in the office about 10 or 15 minutes when at approximately 2:15 PM, Lee Harvey Oswald was brought into the Homicide Office. We (Ross and Stovall) talked to him briefly, obtaining his ID card and name, and at about 2:30 PM, Capt. Fritz, R. M. Sims, and E. L. Boyd came into the office. Capt. Fritz instructed Detectives Ross and Stovall to get one additional man and to go Irving, Texas, meet the County Officers and make a search of the house at 2515 West 5th, Irving. This was the house where Lee Oswald's wife lived with Ruth Paine, and Oswald stayed there on week ends. We took Detective J. P. Adamski and immediately drove to 2515 West 5th, Irving and parked about one-half block from the Paine house to await the arrival of the County Officers. After approximately a 10-minute wait, Detectives Harry F. Weatherford, E. W. (Buddy) Walkers, and J. L. Oxford of the Dallas County CID arrived. We instructed them of our mission and drove to the front of the Paine house. Detectives Adamski and two of the County Officers went to the back door, and one county officer and Stovall and Rose went to the front door- time approximately 3:30 PM. Upon stepping onto the front porch, we could hear the TV and see two people sitting in the living room. Ruth Paine answered our knock on the door. She was very cordial, and her first statement after we presented our ID was "Come on in, we were expecting you. Just as soon as we heard where it happened, we figured someone would be out." She invited us.
to make a search of her home at which time we began a methodical search of
the house, for a list of items we took from this house see the attached
Property List. It approximately 3:15 PM Michael Ralph Paine walked up the
walkway and entered the house without knocking. He told Ruth Paine, "I
heard where the President was shot, and I came right over to see if I
could be of any help to you." He also told her that he had just walked
off the job. At the suggestion of Marina Oswald, wife of Lee Harvey Oswald,
we also made a search of the garage, which is attached to the Paine home.
Mrs. Oswald was asked about her husband's rifle, and she stated that he had
one, and that he kept it in the garage wrapped in a blanket. She was speak-
ing in Russian, and Ruth Paine was interpreting for us. She pointed to a
rolled-up blanket laying on the garage floor, and said, "That is where he
keeps his rifle". (in Russian, interpreted by Ruth Paine) Also see attached
Property List. After some confusion as to what to do with the children,
Ruth Paine agreed to accompany Marina Oswald to the City Hall, and we began
loading the property that we were confiscating for evidence into our car and
into the car of the Dallas County Sheriff's office. About this time Mrs. Bill
Randall, who lives at 2439 West 5th, Irving, approached Det. Adamic and told
him that her brother Wesley Frazier took Oswald to work this morning, November
22, 1963, and that she saw Oswald carry something over to her brother's car
and put it in the back seat. It was long and wrapped in paper or a box. She
was suspicious. She said that her brother was visiting her father at Parkland
Hospital, and we could reach him there.

STOVALL EXHIBIT C—Continued
No place, Michael Ralph Prine in the County Car, and Ruth Prine and
Herman C. Prine, and her two small children into our car. We drove immediately
to the City Hall and parked our car in the basement of the City Hall. We
brought Michael Prine, Ruth Prine, Marlene Oswald, and her two small children
to the third story, Homicide and Robbery Bureau Office, and then after a few
minutes moved them to the Fugatory Bureau Office, due to the crowded condition
of the Homicide Office, time approximately 6:00 PM. After getting the Prines
and Mrs. Oswald settled and while waiting for an interpreter, we started try-
ing to locate Wesley Frazier. We contacted Parkland and found that Wesley
Frazier was not at Parkland Hospital. We made a check of the Irving Clinicos
and found out via phone that Wesley was at the Irving Professional Center
visiting his father. Det. Rose called the Irving Police Department and talked
to Det. Mc Cabe, who stated that he would immediately go to the Irving Profes-
sional Center and take Wesley Frazier into custody and instructed us to call him
back in 15 minutes to verify the arrest. We called Det. J. A. Mc Cabe back at
about 6:45 PM, and he informed us that he had effected the arrest of Wesley
Frazier, and we could pick Frazier up at the Irving Police Department. We
(Det. Rose and Stovall) drove immediately to Irving, arriving there at ap-
proximately 7:00 PM. We talked to Det. Mc Cabe, and he agreed to accompany
us along with Wesley Frazier to the Irving Professional Center to make a search
of Wesley Frazier’s car, a 1954 black Chevrolet, I dr., License Wk 3926. We
made a thorough search of Frazier’s car with negative results, then proceeded
to Frazier’s home, 2439 West 5th, Irving (1/2 block from the Prine home) and
made a search of the Runnels home (also Frazier home) and confiscated a .303
caliber rifle, full clip, and partial box .303 caliber ammunition belonging to
Wesley Frazier (placed in Property Room). After a while Wesley Frazier’s

Sister, Linda Randle, came in and she, Linda Randle, Wesley Frazier, and a Rev. Campbell, of the Irving Baptist Church, were brought to the City Hall, Homicide and Robbery Office, where affidavits were taken from Wesley Frazier and Linda Randle - then approximately 9:00 P.M. After finishing the affidavits, we (Det. Ross and Stovall) started back to Irving, Texas, with the above witnesses. About midnight we received a radio call to return to the office with the witnesses. We turned around at Irving Boulevard and Stemmons Expressway and drove back to City Hall, and Det. Ross called Capt. Fritz by telephone and Capt. Fritz asked that we run Wesley Frazier on the Polygraph machine. We took Frazier to the ID Bureau, and Capt. Dowdy called Det. R. D. Lewis at home. R. D. Lewis arrived on the fourth floor about 11:20 P.M and conducted the Polygraph examination until approximately 12:10 A.M., 11-23-63. This examination was witnessed by Dets. Stovall and Rose. The examination showed conclusively that Wesley Frazier was truthful, and that the facts stated by Frazier in his affidavit were true (See his Affidavit). We took Frazier, his sister, and their minister home and got off duty at 2:00 A.M.
