- Commission Exhibit No. 1139

WF0 105-37111

"My application, requesting that I be considered for citizenship in the Soviet Union is now pending before the Surprem Soviet of the U.S.S.R. In the event of acceptance, I will request my government to lodge a formal protest regarding this incient.

"/S/ Lee Harvey Oswald"

With regard to this letter from OSWALD the American Embassy advised the Department of State that reply was being made to OSWALD, reiterating his right to renounce citizenship but pointing out that only renunciation in a manner prescribed by law would be valid and as he had been informed on October 31, 1959, if he appeared at the Embassy on a normal business day and made the request, necessary documents for his citizenship renunciation would be prepared.

Files of the Eureau of European Affairs also contained a memorandum dated January 24, 1962 from the American Embassy in Moscow advising that OSWALD had informed the Embassy on January 16, 1962 he would not consider proceeding to the United States alone for any reason, particularly since it seemed his passport would be confiscated upon his arrival. It further pointed out OSWALD pressed for action on the petition for an American visa for his wife and in support thereof submitted affidavits stating he was fully employable in fields of metals and electronics. The Embassy advised on this occasion OSWALD had been informed there was considerable doubt about the adequacy of his supporting affidavits and suggested that in order to meet the public charge provision of his wife's admission to the United States, he should get supporting affidavit from a close relative in the United States.

COMMISSION EXHIBIT No. 1138-Continued

🦮 FEDERAL BUREAU OF INVL

PD-302 (Rev. 1-25-60)-

Date November 29, 1963

Mr. JOHN E. HEVRON, Assistant Secretary and Treasurer, New Orleans Public Service, Inc., 317 Baronne Street, advised that his company's records show that the electric and gas meters at the apartment rented by LEE HARWEY OSWALD, 4907 Magazine Street, were read on May 24, 1963 and a bill was rendered for \$2.85 which was due on or before June 17, 1863. The records do not show the date this bill was paid or whether the payment was made by cash or check.

The electric and gas meters were read on June 25, 1983 and a bill of \$7.22 was rendered and was paid in cash on July 17, 1963. The electric and gas meters were again read on July 25, 1963 and a bill for \$8.54 was rendered, which bill was paid in cash on August 13, 1963.

The meters were again read on August 26, 1963 and a bill for \$10.32 was rendered. This bill was not paid on or before September 17, 1963, the due date, and therefore the penalty was added to the bill, which on that date became a total of \$11.36.

The meters were read again on September 25, 1963 and a bill of \$11.02 was rendered, which was due to be paid on or before October 17, 1963. This bill was not paid and therefore after October 17, the penalty of \$.79 was assessed, making the total amount owed to the New Orleans Public Service \$23.17. Deducting the deposit of \$10 which was made by OSWALD at the time he applied for electric and gas service, plus the interest earned on this deposit of \$.20, the net amount owed to the Public Service was \$12.97.
