OSWALD, former Private First Class 1453230 USMC

Ref: (a) Ur ltr to Lt. Col. A. G. Folsom, Jr., Hdqtrs USMC, 4 Jun 1964

1. This is in confirmation of a telephone conversation with Mr. Ely of your office. In response to question (1) of reference (a), no specific psychological examinations were administered to Lee Harvey Oswald at the Marine Corps Recruit Depot, San Diego in the fall of 1956. Such examinations were not routinely given to all recruits. Only those recruits who had difficulty in the course of their training and who were referred to the Psychiatric Evaluation Unit would be given psychiatric assistance and psychological examinations, as appropriate and indicated. The PUMES designation for Oswald on 24 October 1956 was indicated as (1) i.e. no abnormalities noted, in all categories, including psychiatric under the letter S. No change was made in this rating at the time of his transfer on 17 January 1957 on completion of training.

2. The records of subsequent limited medical treatment for certain conditions, including the accidental gunshot wound, did not indicate any significant personality deviation or evidence of psychiatric abnormality. The Board of Investigation of the gunshot injury determined this to be in line of duty.

3. It is understood that the answer to question (2) of your letter concerning the GCT test and sub-scores was furnished to your office by Lt. Col. A. G. Folsom, Jr.

4. If this Bureau can be of further assistance, please let us know.

February 4, 1964

Dear Mr. Rankin:

I am attaching to this letter copies of the school records relating to Lee Harvey Oswald which have been furnished to me by the New York City Board of Education.

Judge Florence Kelley, Administrative Judge of the Family Court of the State of New York, has informed me that after conferring with Presiding Justice Bernard Botwin of the Appellate Division, First Department, she turned over all of the records in the possession of the Family Court, the successor to the Domestic Relations Court, dealing with the case of Lee Harvey Oswald to John F. Malone, Assistant Director in Charge of the New York City office of the Federal Bureau of Investigation. Mr. Malone's office has advised me that these records were delivered to the President's Commission on the Assassination of President Kennedy.
