was shot Mrs. KENNEDY seemed to grab him and pull him toward her. He was positive this occurred because when all shots were fired at the President he had his eyes directly on him. He could not state whether Mrs. CONNALLY was helping her husband or not but he seemed to be lying down when he passed them.

He said the President was hit on the right side of the head with the third shot and he heard the thud when the bullet struck the President. He did not see any rifle in the possession of anyone whom he thought might be responsible for the shooting. He has seen pictures of LEE HARVEY OSWALD on television and stated he had never seen him insofar as he knows.

The assassination of the President occurred about 12:30 p.m. on November 22, 1963.

JEAN (Mrs. PURSER EDWARD) NEWMAN, 3893 Clover Lane, telephone PL 2-4222, advised that she is employed by Rheem Manufacturing Company which Company as of November 22, 1963, was in the process of moving from Lofland Street to 1222 Profit Drive. She stated that as the company was in the process of moving she left work at about 11:30 a.m. and drove to Oak Cliff taking a friend home and r turning through the downtown Dallas area to her home in north Dallas. As she proceeded through the downtown area, she noticed crowds gathering in connection with President KENNEDY's visit to the area. She stated she, on the spur of the moment, decided she would like to see the President so she parked her car in Simmons Parking Lot #2 located at the northwest corner of the Dallas County School Book Depository Building. She then walked in front of the building and turned right on Elm Street and stood on the curb on the north side of the street immediately west of the Stearns Expressway sign. A car carrying the President and other persons had just passed her when she heard a report and saw the President jump, raising his hands to his chest area. She stated she assumed the report to be a firecracker and thought how "human" the President was that he too would react by jumping at a sudden noise. She stated the car had proceeded to approximately 12 feet to her right when she heard a second report and saw the President slump to the front of the car. She said the only other person in the Presidential car that she recognized was Mrs. JACQUELINE KENNEDY who immediately jumped to her knees over the President when he slumped.

Mrs. NEWMAN stated she only heard the two shots but cannot definitely state that additional shot or shots were not fired as people around her realizing what had happened began milling around and screaming. She stated that when she realized the reports were shots she immediately turned and looked up the hill to the north toward the parking lot but did not see anything after which she proceeded back up the hill and walked in front of the Dallas County School Book Depository Building to the parking lot to get her car where she was questioned by an officer and eventually taken to the Dallas County Sheriff's Office where she made a statement.

Mrs. NEWMAN stated that after the shots were fired she was in the area of the school Book Depository Building for some minutes and actually walked immediately in front of the building in returning to the parking lot but did not see or hear any person emerging from the building in such a manner as to attract her attention but pointed out all persons in the area were very excited at the time.

PAULINE E. SANDERS, 4226 Delmar, a Clerk, Texas School Book Depository, 411 Elm Street, advised she arrived at work at 8:45 a.m., on November 22, 1963, and immediately reported to the main office where she was employed. She said she was acquainted with LEE HARVEY OSWALD who worked in the warehouse section and she has seen him three or four times during lunch breaks in the lunch room but did not talk to him on any occasion. She said he was very quiet and she had never seen him talking to any of the other employees that she could recall. She said she would not be in a position to observe what time he arrived at work or the way he arrived.

She said on the morning of November 22, 1963, she went outside to watch the Presidential parade at about 11:25 a.m. She said she did not see OSWALD during this time and she stood in the last line of spectators nearest the door to the Texas School Book Depository building. She advised she could not recall the exact time but immediately after the Presidential parade passed she heard three loud blasts and she immediately realized that the shots or whatever it was came from the building above her. She said within a matter of ten seconds a uniform police officer in a white helmet ran into the building but she did not observe him any further and could not state where he went in the building.

Mrs. SANDERS advised that Mr. CAMPBELL, Office Manager, arrived shortly after the police officer entered the building and she told him she believed the blasts came from the upper part of the building however he insisted the shots came from the embankment. She advised she did not pursue the matter any further and she entered the building within five minutes of the blast. She said she did not observe OSWALD in the lobby but the lobby was crowded with people at this time. She said she did notice a uniform police officer talking to an individual dressed in grey clothing with a silver type construction helmet and he claimed to be an engineer. She said he definitely did not work in the building and she had never seen him before. She said the police officer appeared to be taking his name and address. She said she did not observe whether the elevator was in use or not and she could not recall whether it was on the first floor but she did use the stairwell and walked to the second floor where their offices are maintained. She said she could not recall seeing OSWALD the entire day and at this time the only thing that was on their minds was whether the President had died.
