money for his own use. She said she does not know how much money was in the wallet or how much money OSWALD took but knows that it was not very much.

She stated that on the day he came to the PAINÉ residence, OSWALD fooled around with a typewriter with a Russian keyboard belonging to Mrs. PAINÉ because one of the keys was broken.

Mrs. OSWALD was asked what she and OSWALD had talked about on this afternoon and night that OSWALD had spent with her at the PAINÉ house. She replied that OSWALD was the type that could sit in front of a television set all day and not say a word. She said they had talked about family matters such as how she was feeling and how the child was feeling but they did not talk too much because she, Mrs. OSWALD, was not feeling well. They also talked about a wedding in the MURRETT family that was supposed to take place on or about October 8, 1963. Mrs. MURRETT is OSWALD's aunt.

On the following day when Mrs. PAINÉ accompanied by Mrs. OSWALD dropped OSWALD off in downtown Dallas, OSWALD stated he was going to find a place to live, and he would then call Mrs. OSWALD. She said he called about 5 p.m. that day and said he had found a place to live in the Oak Cliff section near a lake. He furnished the telephone number where he could be reached, and Mrs. PAINÉ made a note of this telephone number in her diary or on some paper. Mrs. OSWALD does not remember this number. She said that thereafter OSWALD did call her about twice a day to ask her about her condition and how their child was. It was agreed that Mrs. PAINÉ would contact OSWALD on the telephone because the place OSWALD was staying had other people using this telephone, and Mrs. OSWALD would not be able to make herself understood.

During the interview of the subject's wife she advised that the FBI had contacted her about the location of her husband about 10 days prior to the assassination and she had told them that her husband worked in the building from which the President was killed. She also stated that she had been interviewed in October and gave the same basic information to the FBI.

While I was at the police station, I engaged an FBI agent in a conversation and found out that he was on the subversive desk. He stated that Oswald had contacted two known subversive agents about 15 days before the shooting but the entire information was top secret and he could not tell us any more but he felt sure that the file would be turned over to our Chief.

The wife also advised that she had seen the rifle that was used in the shooting at her home about three weeks before the shooting.

She advised that she was a Castro supporter and from the interview it was felt that she is still a hard core communist.

She stated that he had never mentioned killing the President but would not mention anything about shooting Connally.

She stated that she did not know the man that killed her husband.

It was felt by the interviewer that she was not telling the truth and still believed in communism.
