INFORMATION SHEET

Nothing in our files, Records Bureau, and I. D. Bureaus on this subject, Lee Harvey Oswald. However, I did receive information that Lee Harvey Oswald brought his Russian born wife and child by the I. D. Bureau after their return to the United States, at which time she was fingerprinted by this Bureau for the Immigration Authorities.

No records were maintained in the I. D. Bureau, or the prints, as they were forwarded to the Immigration Office.
