FD-SEE Pow. 3-3-481 FEDERAL BUREAU OF _____ Commission Exhibit No. 2271

MARGARET MARY ORNDORFF, 1407 Annex, Dallas, Texas, whose same and address appear in RUEY's property, was interviewed at her place of employment, L & H Cafe, 4202 Ross, Dallas, at which time, she furnished the following information:

Approximately three or four weeks ago, exact date she could not recall, she was fired from her job as waitress at the Earwell Rostaurant, Main Street, Dallas. The same day that she was fired from this job, she was talking briefly with a local policeman whom she had never seen before, and during the conversation had mentioned the fact that she was recently unemployed and was at that time looking for a job. She could recall engaging in a brief conversation with the policeman and he had advised her that she might inquire at the Carousel in efforts to obtain a job as a cocktail waitreem. Miss ORNDORFF felt that the uniformed policeman had just mentioned it as a suggestion and was quite sure that he was not attempting to direct girls to the Carousel for any particular reason. She stated that he, the policeman, had mentioned that he had visited the Carousel on its days off and Knew that the owner was in need of cocktail waitresses.

She wont on to say that she thereafter called the Carousel and spoke to an individual who identified himself as Mr. RUEY. After advising him of her situation concerning a job, RUBY told her to come to the Carousel for an interview and that he could not recall the date, but stated that she did talk to RUEY for a brief period and later decided not to accept a job at the Carousel even though RUBY had offered her a job. She said that this was the only contact she had had with either RUBY or the Carousel and has never contacted RUBY again for any reason whatsoever. She was unable to furnish any background information concerning RUBY, and stated that she has no idea as to why RUBY may have short LUE HARVEY GSYALD.

A photograph of LEE HARVEY CSWALD was shown to Miss ORNDCRFF, at which time she advised that she had never seen this individual before and has never heard the name other than in the papers. She was not aware of any connection that RUBY may have had with LHE HARVEY CSWALD.
