He stated he has not heard from or seen RUBY since that time. He advised that he has no idea as to why his name would be on the visitor's list at the county jail other than that RUBY likes policemen in general and saw the men who work the downtown intersections almost everyday.

He stated a BUCK NEWSOM told him on December 9, 1963, that JACK RUBY had sent him a postcard and told him to say hello to him and "CATFISH." He was referring to "CATFISH" HANSEN who works the intersection of Main and Akard Streets. NEWSOM said that RUBY wanted him to thank them for remembering him. This is apparently in reference to the fact that about a week after RUBY was arrested he saw the former bar tender left the Carousel Club and asked him how JACK was. This bar tender left the Carousel Club about six months ago and he believes he now works at the Vegas Club. He does not know his name. He stated he has no intention of visiting RUBY and stressed the fact that his relationship with him is strictly based on his downtown traffic assignment.

On November 22, 1963, at the time of the President's assassination he was part of the security detail at Elm and Houston Streets. He stated he had already been interviewed by Agents of the FBI concerning this inasmuch as he was at the sight of the assassination. He was not assigned to the security detail at the Central Police Headquarters on November 22, 1963 nor November 23, 1963. He worked the downtown intersection of Commerce and Akard Streets on November 23, 1963, from 4:00 p.m. to 12 midnight. On Sunday, November 24, 1963, he did not work and at no time was at the Central Police Headquarters. He had no knowledge of the security precautions taken after the President's assassination.

He never heard of LEE HARVEY OSWALD prior to the assassination and from photographs he has viewed of him did not recall seeing OSWALD in downtown Dallas. He knows of no connection between JACK RUBY and LEE HARVEY OSWALD.
Deputy Williams advised that several colored people who were in that neighborhood had reported to him that they had seen Ruby during the afternoon of November 21.

Olympia Reese, 109 Milan St., Houston, advised that about 2:30 p.m. on November 21, she first saw the white man she now believes to be Ruby. She stated that his hands were dirty as if he had been working, but his clothes were reasonably clean. She stated he appeared to have a day and a half or two days beard and quickly explained that he was not a "bum" as he had money and stated that he had a Cadillac parked around the corner.

She advised that she saw him in the block, 100 Milan, and was present when he made inquiries about "Joe" who runs a pool hall. She stated that a Spanish runs operates a pool hall which is owned by Charlie's Cafe near the corner of Milan and Prairie Sts. She observed the subject believed to be Ruby enter the steps leading up to this pool hall.

She advised that she later at about 7 o'clock or a little after, she again met the subject believed to be Ruby on the street at which time the subject asked her if she was going to the "President's dinner". She advised him that she had not been invited and asked him to buy her a beer and attempted to make a date with him. The subject declined, stating that he was in a hurry and departed going in the direction of the Coliseum where the President was to appear at the Albert Thomas Appreciation Dinner.

Orr Hurdell, 1146 Matthews St., Houston, advised that he saw the subject believed to be Ruby at about 3:15 in the 100 block of Milan St. He stated that Ruby talked about a club on Washington St. operated by a man he referred to as Jack. Ruby also asked if he would be able to buy a beer at the Milan Club, 100 Milan, which he operated by a colored man.

Marshall Bradley, 111 Pleasantville Drive, Houston, who sat to the left aide of the subject while drinking a beer with him in the Milan Club, 109 Milan, which was operated by a colored man, stated that he did not clearly recall the front view but is positive that the side view is definitely Ruby.

He was questioned more closely about the faint scar on the left side of Ruby's face and states that he is positive that this scar exists and that in the event Ruby has such a scar, that the person observed on Milan St. on the afternoon of November 21 is without any doubt Ruby.

All persons interviewed advised that the subject was a smooth talker, but talked rather rapidly and appeared nervous.

Telephone call was placed to W000 Sorel, Dallas, who was not available. The call was taken by Inspector Thomas Kelley, who was requested to furnish photographs of the subject Jack Ruby.

One police type photographs were received with memorandum from W000 Stewart advising that the Dallas Police Department had developed no information indicating that Ruby was out of Dallas on November 21.

The police photographs were shown to all the persons listed above and all agree that in their opinion Jack Rubystein was in Houston on November 21 from about 2:30 to 7:15 p.m., in close proximity to the President's route to the hotel and the Rice Hotel itself.

Most of these people obtained a front view of the subject when they were talking to him or when another was talking to him. These persons state that the photograph of Ruby showing a front view is identical with the person they talked to. They do not remember too much about the side view.

Marshall Bradley, 111 Pleasantville Drive, Houston, who sat to the left side of the subject while drinking a beer with him in the Milan Club, stated that he did not clearly recall the front view but is positive that the side view is definitely Ruby.

She was questioned more closely about the faint scar on the left side of Ruby's face and states that he is positive that this scar exists and that in the event Ruby has such a scar, that the person observed on Milan St. on the afternoon of November 21 is without any doubt Ruby.

Doris Griffin, 3313 Memel, waitress at Milan Club, 109 Milan, advised that she served beer to the subject and to Marshal Bradley on the afternoon of November 21. She was shown the police photograph of Jack Ruby and advised that in her opinion, Ruby was the person that she had served with Bradley, however, she would not make a positive identification.

Harry Sanchez, 1050 Congress St., who operates the pool hall located over Chris' Cafe 109 Milan St., was interviewed on November 26, 1963. He was shown a photograph of Ruby and stated that he did not recall Ruby visiting the pool hall on the afternoon of November 21. He emphatically denied knowing Ruby or Lee Harvey Oswald. Sanchez is considered unreliable by the Houston Police Department and by the Sheriff's Office.

DEVELOPING LEADS

Dallas office is requested to interview Jack Ruby regarding his whereabouts on the afternoon of November 21. It is noted that if Rubenstein has a faint scar on the left side of his cheek as described above, there can be no doubt that he was in Houston on November 21. From his actions and the length of time spent in the 400 block of Milam St., which is a colored area, that his visit very probably had some connection with the President's appearance in Houston.

DETAILS OF INVESTIGATION

This inquiry is predicated upon information contained in an N/R of SAIC Lam Bertram, Houston, dated 12-2-63.

George Senator, roommate of Jack Ruby at 223 S. Ewing Street, Dallas, Texas, until December 1, 1963, during an interview at the Dallas office on December 3, 1963, stated that to his knowledge Jack Ruby had not been out of Dallas recently.

Andrew Armstrong, young colored man employed at the Carousel Club, 1312 Commerce Street, Dallas, interviewed December 4, 1963, stated that Ruby was at the club on Thursday, November 21, 1963 during the afternoon. He recalled that he was with a Mickey Ryan, a bartender who wanted to borrow money from Ruby. Armstrong also recalled that Ruby made several phone calls from the club that day and he believed, however was not certain, that Ruby telephoned long distance to some officials of the American Guild of Variety Artists regarding auditions of amateurs.

Armstrong also stated that he did not know of Ruby having made any long trips away from Dallas recently.

Jack Ruby was interviewed at the Dallas County jail on 12-4-63. He was questioned regarding his whereabouts and movements on the day preceding the visit of the President to Dallas. Ruby at first stated that the only thing he could think of at this time was that he had talked to a bartender named Mickey Ryan and that the conversation took place at his club, probably in the early afternoon hours. Later in the conversation, Ruby recalled that he had been in downtown Dallas when he went to the Merchants State Bank and got a $500 cashier's check which he gave to Miss Mary Lewandowski, secretary of Leo F. Corrigan, Jr., for rental of one of his

Miss Mary Laskowski, secretary of Leo F. Corrigan, Jr., 422 E. Ervay Street, Dallas, was asked on 12-6-63 if and when she received a $500 check from Ruby. She replied that she had received a $500 check for rent from Ruby and then while she could not immediately give the day of the month, she clearly recalls that she received it on Thursday, the day before the assassination of President Kennedy.

Ruby has no noticeable facial scars as reported by SAIC Bertram.
