Dear Mr. Rankin:

Reference is made to my letter dated April 2, 1964, which enclosed copies of a memorandum revealing the results of a reinterview with Mrs. Jean Lollis Hill. Mrs. Hill commented she observed a white man, wearing a brown raincoat and a hat, running west away from the Texas School Book Depository Building following the shooting. Mrs. Hill did not closely observe this individual; did not know who he was; and never saw him again. Mrs. Hill described this man as "average height and heavy build."

Additional investigation has been conducted by this Bureau endeavoring to identify this individual. This investigation included a review of all available film taken near the Texas School Book Depository Building following the shooting; a re-examination of the results of all interviews with individuals who were in the vicinity of the shooting; a review of an additional film taken by Mr. Thomas P. Alyea, WFAA-TV newsman; and interviews with Dallas Police Department and Dallas County Sheriff's Office personnel, none of which revealed the identity of the man described by Mrs. Hill.

Investigative results appear on pages 43 through 49 in the report of Special Agent Robert P. Comberling dated April 15, 1964. This report was furnished to you by letter dated May 4, 1964, and no further action is being taken in this matter.

Sincerely yours,
