Mr. J. Lee Rankin General Counsel President's Commission on the Assassination of President Kennedy 200 Meryland Ave., N.E. Washington, D.C. 20002

Dear Mr. Rankin:

Enclosed please find originals of every item which we have concerning Lee Harvey Oswald and his family. We have made and kept copies of the material for our records and you may retain the enclosed for your permanent file.

I am sure that Mr. Raikin, the Travelers Aid worker who handled this case, must have been interviewed already by the F B I and perhaps by your Commission, but you might like to have his address from us for your records.

> Professor Spas T. Raikin Rio Grand College Rio Grand, Ohio

Since the above is the total of the information we have on Oswald and on the handling of his case by Travelers Aid, I do not think we can be of further help to you, but please let us know if we can assist you in any way.

> Service Requested: Repatriate - may need assistance with general planning.

This is not an official State Dept. referral since very little is known about the situation or how Mr. 0. got his family from Russia to Rotterdam. He is known to have paid most of his passage to New York and may have funds or definite plans of his own. If he does need help, he can be referred to DW under the repatriation program. Try to to interview as fully as possible and report to Miss Scotin on content and outcome of interview.

NORMAN: fc

6/13/62 Upon boarding the ship, I tried to locate Mr. Oswald and his family. He was already cleared by Immigration and Naturalization Service. Mr. Johnson, Immigration Inspector-in-Charge, was interested to know how we came to know of this case. I explained to him our HEd contact. He did not elaborate further on the subject, but appeared curious.

> I tried to locate Mr. O. by calling his name all around where cleared travelers were waiting to disembark. He did not answer my calls. I tried several times to page him by the loud speaker. He again did not answer my calls. I had the impression that he was trying to escape meeting anybody and preserved his problems to himself. Finally, I got him at his baggage on the pier and assisted him through Customs. Under the circumstances, particularly the short time we had at our disposal, in view of the late docking of the ship and his need to report to DPW before 5:00 p.m., I was unable to make a complete interview and examination of all aspects of the situation.

Mr. Oswald has been a member of the Marine Corps and while on duty with the United States Embassy in Moscow, got involved with a Russian girl, whom he married, and renounced his U.S. citizenship. He worked as a specialistelectre technician - in Minsk, Russia, but soon found out that things in the Soviet Union were not as rosey as the propaganda depicts them, and decided to return to this country. It took him quite a long time -- over 22 years until he obtained an exit visa for his wife and dilld and returned to this country. Mr. O. has paid his transportation to New York. Now, he has only \$63.00 and is destined to go to his brother, Robert Oswald, 7313 Davenport Street, Fort Worth, Texas, who has offered his home to shelter his brother's family until they settle down. However, Mr. O. is sure his brother is unable to assist him with the fare to Texas. Mr. Oswald accepted our invitation to help, with confidence and appreciation. Since time was short, I rushed him out immediately, placed him in the Company bus to PABE, where Mrs. Norman had arranged

Mr. F(P met at PABT and took in taxi to DW - Special Services. DW has arranged to ship baggage via Penn. Hopes to place them enroute via Plane on 6/11,/62. They will go to hotel for night. Gave this information to DHEW by 'phone (Miss Gustafson).
