Mr. Remett stated that the subject had a very vivid imagination and it appeared to his that she had lied on several occasions and "would lie to gain a point." He said that her word could not be depended upon and that the employees, including his wife who is the company socretary, eventually refused to listen to Mrs. Rich because they believed her stories were outlandish. He described the subject as being 27 years of age; born at Biddeford, Maine on September 9, 1936; 5'5's tall, about 120 lbs. In Mr. Kennett's opinion, the subject "definitely has a mental condition and is a person who is survhing but stable."

Miss Jan Hess, receptionist for this concern. 22 years of age, single. stated that she knew Mrs. Rich when she was employed with this concern; that she considered Mrs. Rich to be one of the most immoral women that she had ever met. Miss Hess stated that according to Mrs. Rich, Mrs. Rich had been married four times; that her previous husband, Mr. Perrin, committed suicide in California; that when Mrs. Rich originally came to work in January 196h she was approximately five months pregnant and was not married at the time; that it appeared to the employees that an abortion had been performed. Miss Hess also stated that Mrs. Rich was a highly nervous individual, self-centered, and had told her that she had had St. Vitus Dance during her childhood; that Mrs. Rich was snything but ladylike and had a very foul tongue: that while employed with this concern Mrs. Rich was having an affair with an individual from Texas whose name she did not know but whom she believed to be the father of Mrs. Rich's unborn child; that Mrs. Rich lied consistently about many things and omused the other employees a good deal of concern.

Mrs. Mary Kennett, secretary for this concern and wife of Rodney 0./ Kennett, stated that she disliked Mrs. Rich personally and morally and that she was not a nice person to be with; that she did not believe Mrs. Rich's stories and would not believe her "on a stack of bibles." Mrs. Kennett also said that she believed the subject would tell a story that came into her mind and immediately believe it to be true svon though it was ficticious.

According to the employees at this concern, the subject had requested the Warren Commission to be heard concerning her employment as a bartender for Ruby at Dallas, Texas. The employees are skeptical concerning the bartender job and balteve Mrs. Rich could have been "a stripper" even though "she is not pretty."

On June 1, 1964 at 4:00 FM, Special Agent Bernard R. Milton of this office met Mrs. Rich by prior arrangement at her husband's place of business at the corner of Kendall & Hancock Streets, North Quincy, Mass. and transported her by official SS car to Logan International Airport, East Boston, Mass.

COMMISSION EXHIBIT No. 3060—Continued

A reservation had been made for Mrs. Rich to travel by plane to Washington, D.C. on American Airlines Flight #355. Seat No. 16-F. leaving Logan International Airport at 6:00 FM and to arrive Washington, D.C. at 7:38 PM on June 1, 1964. Round-trip Ticket No. 1-184888 was purchased with GTR No. Ab3bb663, issued at Washington, D.C., authorized by the President's Commission on the Assassination of President Kennedy.

A summary report of Special Agent Milton's impression of Mrs. Rich from conversation with her between 4:00 PM and the time she boarded the plane at approximately 5:45 PM on June 1, is as follows:

Mrs. Rich volunteered the information that she was of Iraquian descent. born in Biddeford, Maine and raised by German foster-parents; her first husband, Mr. Perrin, was a magazine writer; she was the mother of four children - three of whom lived with her and the fourth she did not elaborate on; she claimed to have lived and worked in California, Mexico and New Orleans and to have been a translator for Prince Faisal of Saudi Arabia when he was in the United States and that she liked Prince Mansour and did not like Paisal or his brother Tamil; that she worked as an "undercover operative" for various district attorneys and the FEI in various places in the United States: that she was nervous and it was a change for her to be a housewife instead of an undercover operative; that she was a member of CORE; that she could speak five languages, including two dislects of Arabic.

Mrs. Rich mentioned her present husband casually and said he was "a little old" for her. She talked generally about police brutality in the South and about civil rights.

Mrs. Rich exhibited a letter from the President's Commission on the Assausination of President Kennedy and the envelope, upon which was written "opened by mistake." She said that her ex-boss had opened it and she asked Special Agent Milton what to do about it. He advised her to tell the people in Washington about it.

According to Special Agent Milton, Mrs. Rich appeared to be a very nervous woman. She talked rapidly but intelligently and seemed to have strong feelings on any subject she discussed. She has highly-developed facial ties - such as making faces with her mouth and a spastic contraction of the right eye. She is possibly a mental case and definitely a very paryous person. She told many stories about doing undergover work and working on counterfeiting cases which appeared to be obvious fabrications.
