Who called whom? Douglas Home called Isabel Starling of Witnesses/Consultants

Description of the Call

Date: 10/02/96

Subject: Inquiry Re: George G. Burkley's papers

Summary of the Call:

I spoke with Isabel Starling, the daughter of George G. Burkley, who said that she had no papers or records in her possession which would relate to the JFK assassination in any way. She said that her two brothers, Richard and George, would know more about this subject than she did. I assured her that I would be calling her brothers next, since we also wrote letters of inquiry to them on May 3, 1996.

No follow-up with Ms. Starling recommended.
