Please let me know what I should do for this, i. e., perhaps it will be necessary to fill out a special application form. AUTOBIOGRAPHY

I, Oswald, Marina Nikolaevna, born Prusakova, M. N., was born July 17, 1941, in Severo-Dvinsk (former Molotovsk), Arkhangelskaya Oblast. I lived with my mother and stepfather in Leningrad, where I graduated from the secondary school and entered the Leningrad Pharmaceutical School. My mother died in 1957. On graduation from school, I was retained for work in Leningrad. Due to family circumstances, I worked for the last 2 years (up to 1962) as an assistant at the pharmacy of the 3rd Clinical Hospital in Minsk, residing at the home of my maternal uncle (Prusakov, Ilya Vasilevich), and subsequently was married. In February, 1962, a daughter, June Lee Oswald, was born to us. My husband is an American by nationality, and so we found ourselves in America. But a year later, I am applying for a visa for entry into the USSR and beg you not to deny my request. My husband remains in the U.S.A.

Copy of a three-page handwritten letter

To the Embassy of the USSR in the U.S.A., Washington, Consular Section, Comrade Reznichenko

from Oswald, Marina Nikolaevna

Dear Comrade Reznichenko!

I received two letters from you in which you requested me to indicate the reason for my wish to return to the USSR.

But first of all, permit me to apologize for such a long silence on my part and to thank you for a considerate attitude tpward me on the part of the Embassy. The reasons for my silence were certain family "problems" (if one can express it this way) which stood in the way. That is also one of the reasons why I wish to return to the Homeland. The main reason, "of course" (sic), is homesickness, regarding which much is written and spoken, but one learns it only in a foreign land.

I count among family "problems" the fact that in the middle or the end of October, I expect the birth of my second child. This would have probably complicated matters for me, because I would not be able to work during the first few months. And yet, I have no one from whom I could expect help, for I have no parents. My relatives were against my going to America and, therefore, I would be ashamed to appeal to them. That is why I had to weigh everything once more before replying to your letter.

But things are improving due to the fact that my husband expresses a sincere wish

to return together with me to the USSR. I earnestly beg you to help him in this. There is not much that is encouraging for us here and nothing to hold us. I would not be able to work for the time being, even if I did find work. And my husband is often unemployed. It is very difficult for us to live here. We have no money to enable me to come to the Embassy, not even to pay for hospital and other expenses connected with the birth of a child. We both urgently solicit your assistance to enable us to return and work in the USSR.

In my application I did not specify the place in which I would like to live in the Soviet Union. I earnestly beg you to help us to obtain permission to live in Leningrad where I grew up and went to school. I have a sister and a brother of my mother's second marriage there. I know that I do not have to explain to you the reason for my wish to live precisely in that city. It speaks for itself. I permit myself to write this without any desire to belittle the merits of our other cities. Moreover, it would be easier for me to find employment in Leningrad, since there are more pharmacies there and additional personnel are needed. For instance, when I came to Minsk from Leningrad, I could not find work in my specialty for quite a long time, because they had sufficient personnel.

These are the basic reasons why I and my husband wish to return to the USSR. Please do not deny our request. Make us happy again, help us to return that which we lost because of our foolishness. I would like to have my second child, too, to be born in the USSR.

Sincerely and respectfully,

/s/ M. Oswald

Dear sire;

This is to inform you of recent events sinces my meetings with comrade Kostin in the Embassy Of the Soviet Union, Mexico City, Mexico.

I was unable to remain in Mexico indefinily because of my mexican visa restrictions which was for I5 days only. I could not take a chance on requesting a new visa unless I used my real name, so I retured to the Umited States.

I had not planned to contact the Soviet embassy in Mexico so they were unprepared, had I been able to reach the Soviet Embassy in Mavana as planned, the embassy there would have had time to complete our business.

Of corse the Soviet embassy was not at fault, they were, as I say unprepared, the Cuban consulate was guilty of a gross breach of regulations, I am glad he has since been replects.

The Pederal Bureu of Investigation is not now interested in my activities in the progressive organisation Fair Play For Ouba Committee, of which I was secretary in New Ofleane(state Louisiana) since I no longer reside in that state. However, the F.B.I. has visted us here in Dallas, Texas, on November 1st. Agent James P. Hasty warned me that if I engaged in F.P.C.C. activities in Texas the F.B.I. will again take an interrest in me.

This agent also "suggested" to Marina Michilayeva that she could remain in the United States under F.B.I. "protection", that is , she could defect from the Soviet Uion ,of couse, I and my wife strongly protected these tactics by the notorious F.B.I..

Figure inform us of the arrival of our Soviet entrance view's as soon as they come.

Also, this is to inform you of the birth, on October 20 , 1965 of a nAUGHTER, AUGHEY MARINA OSWALD in DALLAS, TEXAS, to my wife.
