BOARD OF COMMISSIONERS OF THE PORT OF NEW ORLEANS
(AN AGENCY OF THE STATE OF LOUISIANA)
INTER-OFFICE COMMUNICATION

DATE: June 16, 1963

TO: Chief L. Deutschman

C.C.

FROM: Patrolman Girod Ray

SUBJECT: Distribution of Propaganda Literature

While working a special assignment at Dumain St. Wharf I was approached by a U.S.S. Navy Officer from the U.S.S. Wasp, who stated that he saw a white male adult subject handing out the enclosed pamphlets to persons visiting the Wasp, berthed at Dumaine St. Wharf.

I immediately looked for this subject and found him distributing these pamphlets and asked him if he had received permission from the Dock Board to issue these papers. He stated that he thought as an American citizen he did not need anyone's permission. I ordered this man off of our property and told him he would have to refrain from issuing anything on Dock Board Property without their express consent.

Honorable Jimmie H. Davis
Governor of Louisiana

Dear Governor Davis:

As you may know, President Johnson on November 29, 1963 established this Commission to study and report upon all the facts and circumstances relating to the assassination of the late President, John F. Kennedy, and the subsequent killing of the man charged with the assassination.

It would be helpful to the work of the Commission if you would obtain from the St. Tammany Parish School Board and the City of New Orleans for the Commission's review, copies of any documents they have in their files relating to Leo Harvey Oswald. We are particularly interested in obtaining Oswald's educational files. In this connection, we are informed that Oswald attended the following Louisiana schools: The Old Covington Grammar School, Covington, Louisiana from September 19, 1946 until January 20, 1947; Beauregard Junior High School, New Orleans, Louisiana, in 1954; and Warren Eastern High School, New Orleans, Louisiana, from September 8, 1955 until October 5, 1955.

In addition, the Commission would like to review any related psychiatric reports, any records maintained by the New Orleans Police Department and any other information in any State or local agency's possession which would assist the Commission in learning as much as possible about the background of Lee Harvey Oswald.

The Commission of course realizes the confidential character of much, if not all, of this information and hastens to assure you that it and the members of its staff will be accordingly governed in its use.

Thank you for your cooperation in this matter.

Sincerely,

J. Lee Rankin

DEPARTMENT OF POLICE
INTEROFFICE CORRESPONDENCE

TO : Major Presly J. Trosclair Jr. DATE August 12, 1963
FROM : Sgt. Horace J. Austin & Patn. Warren Roberts
SUBJECT: Interview of four male subjects at the First District Police Station, on Friday, August 9, 1963, after their arrest from Canal Street.

Sir:

The following information is respectfully reported relative to the interview of four arrested subjects in the First District Police Station, beginning at about 4:45 P.M., Friday, August 9, 1963. One of the four subjects, identified as Lee Harvey Oswald, WM, age 23, residing 4907 Magazine Street, had allegedly been distributing communist literature on Canal Street, and three Cubans, the other three arrested subjects, had become involved in an altercation with Oswald, which resulted in the arrest of the four subjects.

Lee Harvey Oswald furnished the following information when interviewed.

He is a member of The Fair Play For Cuba Committee, whose address is 795 Broadway, New York 3, N. Y., telephone GR4-8295. Oswald had in his possession a National Membership card issued on 5/28/63, and the president's name on this card was "V. T. Lee." Oswald had also a local membership card dated 6/6/63 (N.O. Chapter of the FPCC), and the president of the local chapter, whose name was on the card was "A. Hidell." Oswald presented his Social Security Card, which did not bear his signature, and the number of this card was 433-54-3937. Oswald presented his U. S. Marine Corp. discharge card (Honorable) bearing service number 1653230, and date of active duty from 24 Oct 1956 to 11 Sept. 1959.

Oswald stated he was born in New Orleans on October 18, 1939, that he is about 5' 9" tall, about 140 lbs., and is a mechanic by trade. He stated he did mechanic work in the Marine Corps, and that he is presently unemployed and has been so about three weeks. Before he was laid-off, Oswald stated, he worked at the Louisiana Coffee Company for about three months, and before that he had worked at Fort Worth, Texas, at a sheetmetal place. Oswald stated he worked in Fort Worth at the sheetmetal place for several months, but was very evasive in answering any further questions of employment prior to that time.

Oswald stated that he lives with his wife, whose maiden name was Marina Pross, WF, age 21. They were married in Fort Worth, have one child seventeen months of age, and reside presently at 4907 Magazine Street, lower center, New Orleans.

Oswald stated that he has two brothers, who reside, like his mother, in Fort Worth, Texas. He stated that his father, John Lee Oswald, is deceased. Oswald's mother: Margarette Oswald, resides by herself in Fort Worth, Texas. Oswald's brothers: Robert Oswald, WM, age 27, John Oswald, WM, age 32,

Oswald stated he had talked to Major Trosclair about getting a permit for F.P.F.C.C. and the Major advised him to consult his attorney. Oswald said he never did go and see about a permit at city hall.

Oswald further stated the Cubans came up to him where he was giving out the leaflets and began to tear them up and throw them in the street. Oswald stated that they started to yell that he was a communist and about that time the officers from the First District came up and a crowd had gathered. Oswald stated he joined the Fair Play for Cuba Committee when he found a leaflet on the street one day and read what was on it, and sent \$5.00 to the address which was in New York city and after a brief period of time he was sent material through the mail and contacted locally, and he started to attend the meetings, which he stated were held in each others homes. Oswald stated they, the members, get together and talk about how it would be to visit Cuba, life in Cuba, etc..

Oswald denied the organization was communist, or a communist front, when asked by Captain James Arnold, Commanding Officer of the First Police District, who came in during the interview, but Oswald had in his possession and was carrying a piece of cardboard with "VIVA VIVA Fidel" painted on it and the paraphernalia he was handing out was pasted on this cardboard also. Oswald stated he has never been to Cuba, and it appeared as though he is being used by these people and is very uninformed and knows very little about this organization that he belongs to and its ultimate purpose or goal. Oswald stated that the people that attend these informal meetings are working class people, such as clerical, trades, etc..

The three Cubans were interviewed and furnished the following information:

They remained there until someone came in and told them where Oswald was and they then proceeded to that location, where the three of them were carrying the sign described in formation relative to Carlos Bringuier in this memo. The Truth about Cuba

IS IN CUBA!

On January 16, 1961, the United States Government imposed a ban on travel by U.S. citizens to Cuba. Failure to abide by the ban is punishable by a fine of \$5,000 or 5 years in jail or both. (8 USC 1185, 22 USC 225.)

This is in clear contradiction to remarks made by President Kennedy before the United Nations on September 22, 1961, when he deplored action by any nation which "builds a wall to keep truth a stranger and its own citizens prisoners". It seems also to violate the spirit of the Universal Declaration of Human Rights adopted by the United Nations in 1948 which states "Everyone has the right to leave any country, including his own and return to his country".

What mysterious features exist on this tiny island of 6 1/2 million people to become so taboo for American eyes? Although the policy of the Castro government is to promote tourism everywhere in Cuba, our government innocently explains that the travel ban is to safeguard our welfare.

- Why then does it allow American citizens to travel in such trouble spots as Sonora's Nicaragua?
- Why then does it exempt Americans such as "certain" businessmen and "certain" reporters from the ban when they are the very ones most likely to become involved in international incidents?
- Why then do other Western countries such as Canada, Mexico, England, France, West Germany, etc., find that the safety of their nationals does not require restrictions on travel to Cuba?

Our government states that another reason for the ban on travel is that it is in the national interest to combat Communism by preventing travel to Cuba.

- Why then is travel allowed and even encouraged to *admittedly* Communist countries such as Poland, Yugoslavia and even the Soviet Union?

In short, WHAT IS THE GOVERNMENT HIDING?

As a result of the Cuban Revolution stopping the flow of Cuban wealth to the United States, Cuban soil, industry and manpower has been put at the disposal of the Cuban nation.

- Can it be that the new schools, homes and hospitals of revolutionary Cuba might contrast severely with the Cuba that served as a U.S. plantation and might weigh heavily on the American conscience?

- Can it be that we would also see the effects of the recent invasion which was supported by 43,000,000 dollars of our tax money?

WE MAINTAIN THAT THE TRUTH ABOUT CUBA IS IN CUBA AND THAT WE HAVE THE RIGHT TO OBSERVE AND JUDGE FOR OURSELVES WHAT IS HAPPENING THERE!

If you agree:

- Seek permission from the Passport Office to go there. When it is denied, ask why.
- Write to the U.S. State Department and President Kennedy asking that our government adhere to concepts of justice and international law and expressing your opinion on the travel ban.
- Read books which present the side of the story you haven't been told such as 90 MILES FROM HOME by Warren Miller and LISTEN YANKEE by C. Wright Mills.

Both of these books are in pocketbook editions and can be purchased at the bookstands.

SUBJECT: Relative to Oswald Case - Interview with one
Sam Newman, this date.
Commission Exhibit 1413

The undersigned officers respectfully report that at about 2:20 P.M., Wednesday, November 27, 1963, they arrived at 4114 St. Charles Avenue, an apartment house managed by Mr. Sam Newman, a WM, residing 1337 Mithra Street. Mr. Newman is also the owner of the offices at 544 Camp Street, and the purpose of this interview was to learn of the leasing of one of the offices at 544 Camp Street by the organization known as the Fair Play for Cuba Committee.

Upon being questioned about the above, Mr. Newman stated that about fifteen months ago he leased an office at 544 Camp Street to an organization known to him as the Cuban Revolutionary Society. Mr. Newman stated that this group was run by young Monteleone of the Monteleone Hotel. Newman also stated that Guy Banister was well acquainted with this organization.

When asked if he knew either Lee Oswald or a man named Hidell, Mr. Newman stated that he did not know anyone by name associated with this group. Mr. Newman did state however that this organization was in this office for only about 4 or 5 months, and since they fell behind in their rent, he put them out. He also stated that after this, someone who had the key came into this office and when he, Mr. Newman, asked them what they were doing there, this man stated that he was taking over the office. Mr. Newman stated that he took the key from this man and put him out. Mr. Newman described this man as a white male, blond hair, and red complexion. When asked, Mr. Newman stated that he knew nothing of the organization, Fair Play for Cuba.

Mr. Newman showed the officers a page in a small notebook which he took from his pocket. On this page were the following two names: Louis Rabel, who Mr. Newman stated headed the Cuban Revolutionally Society, (a telephone number appeared by this time and was recorded by the officers as WH7-5544). The other name on this page was: Mr. Grimmader, who Mr. Newman stated had an auditing firm in the Audubon Building, (telephone number by this name was 524-2338). Mr. Newman received a check for the rent of office from Mr. Grimmader.

Mr. Newman stated that he had given all this information to the F.B.I and the Secret Service.

This interview was completed at about 2:30 P.M.

Horace J. Austin Jr. Respectfully,
Sgt. Horace J. Austin Jr. Det. Robert M. Frey

SUBJECT: Relative to Oswald Case - Interview with one
Sidney Edward Voebel, this date.

The undersigned officers respectfully report that at about 11:45 A.M., this date, Wednesday, November 27, 1963, they entered the Quality Florists, located 4916 Canal Street, for the purpose of meeting with and interviewing Sidney Edward Voebel relative to his knowledge of Lee Harvey Oswald.

Sidney Voebel identified himself to the officers and stated that he is 23 years of age, D.O.B. 4/24/40. He stated that he was born in New Orleans and has resided at 4916 Canal Street, the Quality Florists, owned by his parents, since that time.

Voebel stated that he attended Beauregard Judson High School until 1955, and that he met Oswald while at this school as Oswald attended school there also. Voebel stated that he joined the Civil Air Patrol Cadets at Moisant Airport in 1954 or 1955 (not sure). Voebel asked Oswald to join also and Oswald did join a short time after Voebel, but only stayed about one month. Voebel stated that Oswald bought his uniform and that he, Voebel, believes Oswald received his membership card.

Voebel further stated that he first met Oswald in 1954 or 1955 and knew him for about 1 1/2 years. Voebel stated that he took music lessons at Werleins on Canal Street and would go to Oswalds home at 126 Exchange Place to see Oswald on these dates. Voebel also stated that Oswald had mentioned distributing advertising circulars while in school. When asked if Oswald ever expressed political views to Voebel, Voebel stated that Oswald had not, and that he, Voebel, believed Oswald had no leftist political views until later in his life. Voebel stated that he believed Oswald attended a party (not sure) at the home of Dave Ferrie (Captain) right after the members of the C.A.P.C. received their stripes.

Voebel was questioned about his knowledge of David Ferrie and stated that he knew very little. Voebel stated that Ferrie took over the C.A.P.C. at Poyssant Airport about 6 months after he, Voebel, had joined. Voebel stated that Ferrie seemed like a "character", that he rode a motorcycle, and Voebel stated that he had heard that Ferrie was a brilliant man with many degrees. When asked if Ferrie had organized any flying group other than
