Mr. LYNN COBENA, Manager, Commercial Employment Agency, 1001 National Bank of Commerce Building, was interviewed and made available an application with his agency made by LEE HARVEY OSWALD on May 7, 1963. The application reflected that OSWALD had been employed from 1962 to 1963 at J. B. Green-Stoval on 522 Browder Street, Dallas, Texas as a photographer and was laid off because of a cut in the night shift. He was applying for a position as a photographer and gave the following description of his duties with his former employer:

Development of films on standard commercial modification camera, use of lens, enlargers, etc.; setting up and shooting of "live" and "perspective" photo shots as well as modification shots.

In checking his incoming log sheet for May 7, 1963, COBENA advised that OSWALD had been in his office twice that day. The reason for the second visit was not indicated. COBENA stated the interviewer who talked to OSWALD was Mr. DON PECOT, who is no longer employed by the agency. He furnished PECOT's last known address as 1200 Lowerline Avenue, New Orleans, Louisiana.

The application also indicates OSWALD was referred to Darrell DeMoss Company in New Orleans; however, there is no indication on the application as to the results of OSWALD's interview at that company.

COBENA made available both the application and the agency agreement which were signed by OSWALD on May 7, 1963.
