JULIAN EVANS, 1910 Prytania Street, New Orleans, Louisiana, was interviewed at his place of residence, and supplied the following information:

The first time that EVANS met the OSWALD family was one day, exact date and time unknown, while EVANS was in the Covington area. He said that at that time LEE HARVEY OSWALD was approximately seven years old. EVANS and his wife, MYRTLE EVANS, maintained a friendship with the OSWALD family, who at that time lived in a house on Alvar Street, New Orleans, which was owned by Mrs. OSWALD. Subsequently, Mrs. OSWALD sold her house at Alvar Street he believed, and then moved in with her sister, address unknown. He advised that in approximately May of 1954, Mrs. OSWALD and her son, LEE HARVEY OSWALD, moved into 1454 St. Mary Street apartment six, where they resided until approximately November, 1954. He stated that at that time, namely May, 1954, Mrs. OSWALD decided to move from the upstairs apartment because the rent was too high. He advised that she took an apartment next door at 1451 St. Mary Street and resided in that apartment until approximately May, 1955. He advised that at the time OSWALD lived at the above residences, which are owned by him, LEE HARVEY OSWALD appeared to be a headstrong, boisterous individual. He stated that on occasions he would holler in a loud tone of voice to his mother. He advised that he could not recall, nor could he make out the exact language he did use when he had arguments with his mother.

He advised generally OSWALD appeared to be a quiet fellow who did not associate much with the neighbors. He said he could not remember any close associates which OSWALD had during the period of time he resided at 1450 St. Mary Street. He advised that recently he mentioned to some of the neighbors in that area, as well as the grocery store owners, that OSWALD had resided at the above address, but none of these people could recall him. He advised that he never noticed any of the literature which OSWALD did read, nor did he ever hear him make any comments regarding either the Communist or Marxist philosophy. He advised he never knew of any incident where OSWALD was involved in a fight in the neighborhood, although he recalls one time when OSWALD came home from school apparently suffering from an injury which he assumed OSWALD suffered as a result of a fight.

COMMISSION EXHIBIT No. 1936—Continued
OSWALD replied in the negative. EVANS stated that he did not notice at that time whether or not OSWALD had any baggage with him. He advised that to the best of his recollection, OSWALD arrived at his home by public transportation. He advised that in March of 1963, OSWALD was working for the Reily Coffee House in New Orleans, but cannot definitely be sure.

EVANS stated that after this brief conversation, MYRTLE EVANS accompanied OSWALD in his search for an apartment. He advised that it took them approximately one-half day to find the apartment on Magazine Street, exact address unknown. He stated that his wife informed him that OSWALD seemed pleased with the apartment at that time, but said that he did not believe his wife would like it because while OSWALD and his wife were in Russia, they lived in a new apartment. OSWALD, advised EVANS, had also mentioned that he was going to establish an apartment in New Orleans and then send for his wife, who he believed at that time was in Russia.

EVANS advised that during the time he has known LEE HARRVY OSWALD, he cannot recall any mention on the part of OSWALD to assassinate President KENNEDY. He stated that from his association with OSWALD, he did not think that OSWALD would be the type to assassinate President KENNEDY. He based this conclusion on the fact that he felt that OSWALD was an introvert and a recluse individual, who did not have time to associate generally in social circles. He advised that he could be wrong in his opinion.

JULIAN EVANS advised that he recalls that sometime, exact date unknown, MARGURITE OSWALD worked in a stocking place on Canal Street near the Audubon Building as a manager and buyer.

He stated that he cannot recall the exact name or location of this particular establishment. He further advised that he does not have any records available concerning the occupant of 1454 St. Mary Street and 1452 St. Mary Street, New Orleans, during the period May, 1954, and 1955. He stated that the present occupants of these residences are fairly current and would not have any knowledge concerning OSWALD. He advised that his memory fails him as to the name of the people who occupied the building during the above period.
