Date December 6, 1963

1
TOM APPLE, 2124 Forrest Oaks, Dallas, Texas, furnished the following information:

Mr. APPLE is employed as a co-pilot for American Airlines. On the afternoon of November 23, 1963, Mr. APPLE and Mr. FRANK BELLOCCHIO, 9832 San Lea Drive, Dallas, met at Sol's Turf Bar, Commerce Street. Mr. APPLE and Mr. BELLOCCHIO sat discussing the death of President KENNEDY which had happened the day before. BELLOCCHIO got up from the bar and walked to the rear of the bar. A short time later BELLOCCHIO returned to the bar where APPLE was sitting and displayed to him a polaroid camera photograph showing a sign which read, "Impeach EARL WARREN." It is Mr. APPLE's recollection that the sign "Impeach EARL WARREN" had been nailed to a board similar to a picket sign and had been stuffed behind a business plaque presumably on the side of the building which read Potter Art Iron Works. When BELLOCCHIO displayed the photograph to TOM APPLE, BELLOCCHIO was in the company of JACK RUBY, whom APPLE had never met before. APPLE stated that he asked RUBY if POTTER, of the Potter Art Iron Works Company, was aware that the sign had been placed on POTTER's business sign, and it was APPLE's recollection that RUBY stated that POTTER probably was not aware of it. APPLE stated that BELLOCCHIO had asked RUBY for the photograph but RUBY refused to give it to him. It is APPLE's recollection that RUBY had remarked that he had some plans for the photograph and in giving a reason, he had used the word "scoop." APPLE is unable to recall or explain what RUBY meant; however, APPLE speculated that he may have planned to furnish it to a newspaper. APPLE stated that shortly thereafter, RUBY departed Sol's Turf Bar alone. Mr. APPLE had never known RUBY before this meeting and had no other information concerning him. Mr. APPLE stated he did not know LEE HARVEY OSWALD nor did he have any information of any acquaintanceship between OSWALD and RUBY.

Dear Mr. Hoover:

I refer to page 640 et seq. of the report of Special Agent Gemberling, dated December 23, 1963, at Dallas, Texas; page 18 et seq. of the report of Special Agent O'Connor, dated December 31, 1963 at Miami, Florida; and to page 553 of the report of Special Agent Clements, dated December 14, 1963, at Dallas, Texas, which concern the allegations of Mrs. Sylvia Odio of Dallas, Texas that she observed Lee Harvey Oswald in the company of two Cuban or Mexican men sometime in late September or early October 1963. I also refer to your letterhead memorandum, dated July 30, 1964 at Miami and August 5, 1964 at Dallas concerning the same subject. I enclose transcript of the testimony Mrs. Odio gave to Mr. Wesley J. Liebeler of our staff in Dallas on July 22, 1964 as well as a letter to me from James J. Rowley of the United States Secret Service, dated May 5, 1964 and the memoranda covered by Secret Service Control Numbers 3670, 1426 and 1476, all of which relate to the above subject.

It is a matter of some importance to the Commission that Mrs. Odio's allegations either be proved or disproved. It appears from the report of Special Agent O'Connor mentioned above that at approximately the time Mrs. Odio said she saw Oswald in Dallas there was considerable activity in that area on the part of "IRE" another organization composed of anti-Castro Cubans. It is possible that Mrs. Odio has confused "JURE" and "IRE" and that the representatives she saw allegedly in the company of Oswald were from "IRE", or from some other anti-Castro organization. It is also possible that they were in fact pro-Castro individuals attempting to infiltrate the anti-Castro groups in Dallas.

Would you please conduct the investigation necessary to determine who it was that Mrs. Odio saw in or about late September or early October 1963. Reference is made in particular to "Guillermo Othos," a "DRB" delegate present in Dallas at or about that time, referred to on page 26 of the report of Special Agent O'Connor. We also note that Mrs. Odio's description of one of the men allegedly with Oswald corresponds to some extent with the description given by Evaristo Gilberto Rodriguez of a man who was allegedly with Oswald in the Habana Bar in New Orleans in August of 1963, in that both of them had a bald spot on the forehead of their hairline. In that connection we note your letterhead memorandum dated July 31, 1964 at New Orleans and we enclose a transcript of the testimony of Mr. Rodriguez.

We also note that the report of Special Agent Heitman dated March 13, 1964 refers to an Osvaldo Aurelio Pino Pino. He should be interviewed on the possibility that Mrs. Odio may have confused his name with that of Lee Harvey Oswald.

We are also concerned about the possibility that Oswald may have left New Orleans on September 24, 1963 instead of September 25, 1963 as has been previously thought. In that connection Marine Oswald has recently advised us that her husband told her he intended to leave New Orleans the very next day following her departure on September 23, 1963. She also indicated that he told her an unemployment check would be forwarded to Mrs. Ruth Paine's address in Irving from his post office box in New Orleans. We also have testimony that Oswald left his apartment on the evening of September 24, 1963 carrying two suitcases. It also seems improbable to us that Oswald would have gone all the way back to the Wynn-Dixie store at 4303 Magazine Street to cash the unemployment check which he supposedly picked up at the Lafayette branch of the post office when he could have cashed it at Martin's Restaurant, where he had previously cashed many of his Reily checks and one unemployment check. That is particularly true if he received the check on September 25, 1963, as previously thought, and had left his apartment with his suitcases the evening before.

On the possibility that Oswald may have stayed in New Orleans on the night of September 24, 1963 at some place other than at his apartment, would you please check the guest lists of inexpensive hotels in the vicinity of the Greyhound and Continental Trailways bus depots, the Lafayette branch of the post office and such other

areas in the City of New Orleans that you deem appropriate to determine whether or not Oswald stayed in any of them on the night of September 24-25, 1963.

The above investigation seems indicated to check Mrs. Odio's story that Oswald was in her apartment in late September of 1963. Since he was with his wife in New Orleans until she left on September 23, 1963 and was in Mexico after September 26, 1963, the only time he could have been in Odio's apartment appears to be the nights of September 24 or 25, 1963, most likely the latter.

In that connection we note that the Continental Trailways bus that left Dallas at 11:00 p.m. on September 25, 1963 for Laredo, Texas, made a connection in Alice, Texas with the Trailways bus that left Houston, Texas at 2:35 a.m. on September 26, 1963, also bound for Laredo. True, Oswald could have been in Dallas on the night of September 25, 1963 and still have been on the bus on which he was seen by Dr. and Mrs. John B. McFarland, according to your letterhead memorandum on Oswald dated December 23, 1963 at Washington, D. C.

Would you please determine whether or not any tickets were sold in Dallas on September 24-25, 1963 covering transportation on Continental Trailways business from Dallas to Laredo or beyond.

Please conduct whatever additional investigation you deem appropriate to determine the possible validity of Mrs. Odio's testimony. We think it might be in order to determine Mrs. Odio's veracity in other areas by checking on some of the testimony she gave concerning her background. We note that she claims to be acquainted with Manolo Rey, (Tr. 364), an anti-Castro leader in Puerto Rico, and that her father is a political prisoner of Fidel Castro.

In connection with the above, in addition to the reports mentioned above, we note, among others, the reports of Special Agent Callendar dated December 24, 1963 at New Orleans, Special Agent Fultz dated December 11, 1963 at Houston, Special Agent DeLyempe dated December 4, 1963 at Houston, Special Agent Callendar dated February 20, 1964 at Houston, Special Agent Callendar dated December 16, 1963, at New Orleans, Special Agent Kenny dated December 23, 1963 at San Antonio, and Special Agent Callendar dated April 16, 1964 at New Orleans, and your letterhead memorandum dated April 15, 1964 at New Orleans.

COMMISSION EXHIBIT No. 3045—Continued

IVAN T. MUNDY, Manager, Metal Products Company, 2326 Topeka Street, Dallas, Texas, advised he was at Sol's Turf Bar, Dallas, Texas, on November 23, 1963, and recalled the following event:

MUNDY stated FRANK BELLOCCHIO, a jeweler, was seated nearby and was displaying a full-page advertisement from a Dallas newspaper to several individuals in the bar. This advertisement said something such as "Welcome, President KENNEDY, to Dallas, but we would like answers to the following questions." The advertisement then listed about twelve questions, and at the bottom was the notation that the advertisement was paid for by BERNARD WEISMAN with a Post Office Box number. MUNDY said he, BELLOCCHIO, and several other persons at the bar were discussing this advertisement when an unknown individual entered the bar and barged into the conversation. This man, who MUNDY later learned was JACK RUBY, said, "I've checked that out," and proceeded to tell all within hearing distance that the Post Office Box was a dummy box. MUNDY assumed at this point that RUBY was a newspaperman because of his apparent knowledge and interest in the advertisement.

MUNDY said RUBY did not appear overly excited, was coherent in his conversation, but definitely displayed more than usual interest in the newspaper advertisement. RUBY stated that the advertisement was "wrong" and expressed disapproval of the contents of the advertisement. MUNDY said BELLOCCHIO then put the advertisement in his pocket and he (MUNDY) can recall no further conversation regarding this advertisement.

MUNDY recalled that at this time JACK RUBY produced two Polaroid pictures showing a sign which read "Impeach EARL WARREN." RUBY was indignant over this sign and expressed displeasure of this sign. MUNDY stated that BELLOCCHIO asked RUBY for one of the photographs, but RUBY refused and made a remark to the effect that he could get an "exclusive" with
